Labor Survey Termed Great Success

Clay E. Wells, Virginia Employment Commission labor analyst, (on the right) looks on as people in Appomattox and area counties registered Friday and Saturday during the survey that had been requested by Thomasville Furniture Industries.

Concord Squad Answers 24 Calls

The Concord Rescue Squad has reported that they answered 24 emergency calls during the month of July. Sixty-six man hours were used in answer to these calls and the Squad drove a total of 695 miles.

A breakdown of the calls is as follows: minor cuts of hands and feet, 5; general illnesses, 9; gunshot, 1; child birth, 1; overdose, 1; routine transport, 1; auto accident, 2; and 3 motorcycle accidents.

Concord Squad members are pleased to announce that they have received a grant of $7,480.00 under the U.S. Highway Safety Act of 1966, to be used toward the purchase of a second ambulance. The amount is to be at least equally matched by local funds.

Adult Classes

The Appomattox County School Board will sponsor classes in General Adult and Basic Education for Adults this fall.

Typing I, Typing II and Shorthand will be offered at Appomattox County High School. General Education Development or High School Equivalency classes will be held at Appomattox Intermediate School.

Basic Education for Adults will be sponsored at Pamplin Elementary and Appomattox County High School. These classes in Basic Eduaction will be for adults who have an eighth grade or less education.

Information concerning all classes will be available by August 28 and may be secured by calling the School Board Office, telephone 352-8253 or writing the Home School Coordinator.

The Virginia Employment Commission, at the request of Thomasville Furniture Industries of Thomasville, N.C., made a survey on people interested in employment in the Appomattox area on Friday and Saturday, August 11th and 12th, at the Appomattox Intermediate School.

Thomasville is planning to construct a major manufacturing facility in Appomattox and needed to know if there was a sufficient supply of capable labor available in the area.

During the sign-up period on Friday, from 9 a.m. until 9 p.m., 850 persons registered and on Saturday, from 9 a.m. until 5 p.m., 818 persons registered, making a total of 1668 persons showing an interest in employment in the Appomattox area. Persons from a wide geographic area came to Appomattox and filed the report.

Wells, with the V.E.C, brought

Plan To Donate Blood On Tuesday

These six people pictured above plan to donate a unit of blood at the first visit of the fiscal year, when the Red Cross Bloodmobile will be set up in Appomattox at the Liberty Baptist Church on Tuesday, August 22, from noon until 6:00 p.m. In the above picture are (seated) Dorothy Stevens, who will be a first-time donor; and Gertrude Jarrell, a 14 pint donor. Standing from the left are Dennis Drinkard, donor of 10 pints; John Alvis, donor of 20 pints; Hunt Hamilton, a donor of 11 pints and Abner Scruggs, who has donated 9 pints of blood at previous visits. Come out on Tuesday and join with these donors, you may save the life of a friend or neighbor by giving a unit of your blood.

There always seems to be a shortage of units of blood in the blood-bank during the month of August, but this year is definitely the worst ever. This is possibly due to the fact that many people are vacationing and to the increase in accidents, but you can really help out if you will take a few minutes of your time and go by Liberty Baptist Church on Tuesday, August 22nd, and donate a unit of blood when the Red Cross Bloodmobile will be here for the first visit of the fiscal year. The quota for Appomattox County for the first visit is 95 pints .... let's reach our goal so that no hospital will be short of a supply of life-saving blood when needed.

The Junior Woman's Club will again sponsor this worthy cause, with Mrs. Lucy Harvey and Mrs. Ruby Ferguson serving as co-chairmen. Ladies of the Eastern Star will be in charge of the Canteen and will have food, milk, juices and drinks for all donors. The Pepsi Cola Bottling Company will be giving a free quart of Pepsi to each donor and King's Market will give a loaf of King's bread to each donor at this visit.

Remember, 18 year olds can now donate blood without parental consent and also remember there is a critical shortage of blood in the blood-bank, so please help out on Tuesday - it only takes a few minutes of your time.

Supervisors Allocate $10,400.54 As County Share Of Forestry Service

At the regular meeting of the Appomattox County Board of Supervisors on Friday, August 11th, the board approved allocation of $10,400.54 as the county's portion of state forestry service.

W.C. Stanley, Superintendent of the State Forestry Service, appearing before the board, reported that more seeding, burning, and cutting had been done this year than in the past and that the Seed Orchard was essentially complete and is now getting some superior seed. Stanley projected that in five to six years all seeds from this nursery would be much improved and reported that timber prices showed much improvement over what they had been in the past.

Meeting with the Board on behalf of the Upper Appomattox River Watershed project, Robert E. McClenny, Jr., District Conservationist for U.S.D.A. in Appomattox and Campbell Counties, stated that the proposed watershed project would begin sooner than anticipated as the Virginia Soil Conservation Service had chosen the Upper Appomattox River project as one main project and plans now are to have aerial photography of the site in February 1973. McClenny further stated that groundwork must begin right away and urged the board to make a site survey as soon as possible, adding that there are many favorable locations on the Appomattox for a flood relief lake. A lake of this type would be able to hold up to 50 years of sediment if used only as a part of a flood relief program. In answer to a question from Otho Martin, Jr., Chairman of the Board, McClenny said that the Board of Directors of the wa-

JayVee Practice Begins Saturday

The JayVee Football team will begin practice on Sat., Aug. 19th, at 10:00 a.m. at the Appomattox Intermediate School athletic field, according to an announcement by JayVee coah, Ken Ferguson.

Coach Ferguson asks that all boys planning to play Jayvee football be at the athletic field at the appointed time.

Seek Bids On Projects

The Virginia Department of Highways will receive bids September 13 on twelve new highway construction and repair projects and on 11 projects which are being readvertised because earlier bids were higher than the department's estimates.

In Appomattox County and Town of Appomattox, the department is seeking bids for Secondary 635 - construction of 0.2 of a mile of 22-foot-wide approach roadway and for the bridge over the N & W railway tracks in south Appomattox.

Hog Show & Sale Set For Tuesday

The pure bred hog show and sale will be held at Harrisonburg on August 22nd, according to an announcement made by Earl Pickett with the Farm Bureau.

Anyone interested in attending is urged to contact either Mr. Pickett, Frank Sweet or John Wilson as soon as possible so that plans can be made for transportation. Plans now are for those attending to meet in Appomattox at the Extension Office no later than 1:00 p.m. This trip will serve as the meeting for this month.

Eugene W. Peyton Appointed Superintendent Of Schools

Eugene W. Peyton, acting Superintendent of Appomattox County Schools, was appointed Superintendent of County Schools on Friday evening, August 11th, at the regular meeting of the Appomattox County School Board.

Board Favors Pamplin Underpass

At the regular meeting of the Appomattox County School Board on Friday evening, in executive session, Mr. Eugene W. Peyton was appointed Superintendent of Appomattox County Schools. Peyton, who had been acting superintendent since the death of Earl J. Smith, will fill the vacancy of the unexpired term which ends July 1, 1973.

Mr. Smith had been Superintendent of Appomattox County Schools from 1962 until the time of his death on July 11, 1972.

Peyton came to Appomattox in 1965 as principal of the Appomattox Elementary School and served in that position until July 1, 1967, when he was appointed Director of Instruction for the Appomattox County School system. He served Appomattox County Schools in that position until his appointment as acting superintendent.

Prior to his coming to Appomattox, Mr. Peyton was principal in a school in Roanoke County, visiting teacher of Botetourte County and for five years served as general supervisor of instruction of Charlotte County. He received his Bachelor of Arts degree from Roanoke College, his Master of Education degree from V.P.I. and has completed the equivalent of one year's study in further graduate work at the University of Virginia.

Mr. Peyton is active in his profession and in community activities. He is a past president of the Appomattox Education Association, a member of Kappa Delta Pi and a member and President of the Appomattox Lions Club.

He is married to the former Margaret Ann Walker of Christiansburg and they are the parents of two children, David and Phillip. They are members of the Memorial United Methodist Church where Mr. Peyton is a member of the administrative board.

Although the appointment comes because of unhappy circumstances for Mr. Peyton, he says that the school system is in a process that has been planned and has been in progress for the past five years. He also stated that the school system will continue with plans to meet

Physical Examinations Required For School Students

Effective with the school year 1972-73, a comprehensive physical examination will be required of all children entering the public schools. This requirement is the result of legislation enacted by the 1972 session of the General Assembly. A report from the physician must be presented the school principal during the first month of school. In addition to the new requirement for a physical examination, children must be immunized against measles, diptheria, whooping cough, tetanus and polio. They must also have been vaccinated against smallpox or present a doctor's certificate stating that it is not recommended at this time.

Senate Beill 410 requires that students in grades K-12 must have the sickle cell trait test or certification during the first month of school.

Sickle cell anemia and sickle cell trait are heritable and almost always are ethnic in occurance. It is rare in races other than Negro.

The schools will provide the Health Department with lists of children having other racial origin in order to conserve expense and medical manposer.

The local Health Department will privide certification for those not needing the trait test.

Farm Bureau Will Meet On Monday Night

The Farm Bureau Board of Directors will meet on Monday night at 7:30 p.m. in their office located in the Fred Jones Office Building.

Plans for the annual meeting and the beauty contest will be made at this time.

All Stars Win Four Trophies

The Dixie Youth League Tournament which began in Keysville on August 2nd, has ended with Crewe-Burkeville continuing to reign as Virginia State Champions. It was the third straight championship for the Crewe-Burkeville team, however, the Appomattox All Stars really earned their share of the awards during the tournament.

Pictured at the far left is the District 6 Championship Trophy that was awarded the All Stars, second from the left is trophy awarded them for participating in the State Dixie Youth League Tournament, next is the Annual State Tournament Scholarship Game trophy, won by Appomattox when they defeated the Charlotte County All Stars 10 to 5 in a game preliminary to the championship contest. On the right is the Sportsmanship Trophy – voting for the sportsmanship award ended in a tie, and both Appomattox and Bedford-American were awarded identical trophies. Programs and minature bats were given all boys participating in the State Tournament.
